

MPM-CTL182X

Heavy-Duty Compact Track Loader
Product Specification

Product Overview

The VersaForce MPM-CTL182X is a heavy duty compact track loader designed for earthmoving, material handling and grading. Engineered for outdoor construction work applications, delivers safe-stable operations. Built with a reinforced rigid frame, continuous rubber tracks and a high flow hydraulic system to power a wide variety of work.

Technical Specification

Product Name	VersaForce MPM-CTL182X
Product Type	Compact Track Loader
Rated Operating Capacity	2,300 lbs
Tipping Load	6,575 lbs
Peak Hydraulic Flow	22.5 GPM (standard) / 32.8 GPM (high-flow)
Travel Speed	6.8 mph
Engine Power	75 hp (Tier 4 Final)
Breakout Force	5,450 lbs
Lift Path	Vertical-lift geometry
Operating Weight	9,200 lbs (4,173 kg)

Dimensions

Overall Length	147 in (3,735 mm)
Overall Width	72 in (1,830 mm)
Overall Height	82 in (2,085 mm)
Height (Rails Folded)	75 in (1,905 mm)
Ground Clearance	9.0 in (230 mm)
Trackbase	68 in (1,730 mm)

Performance

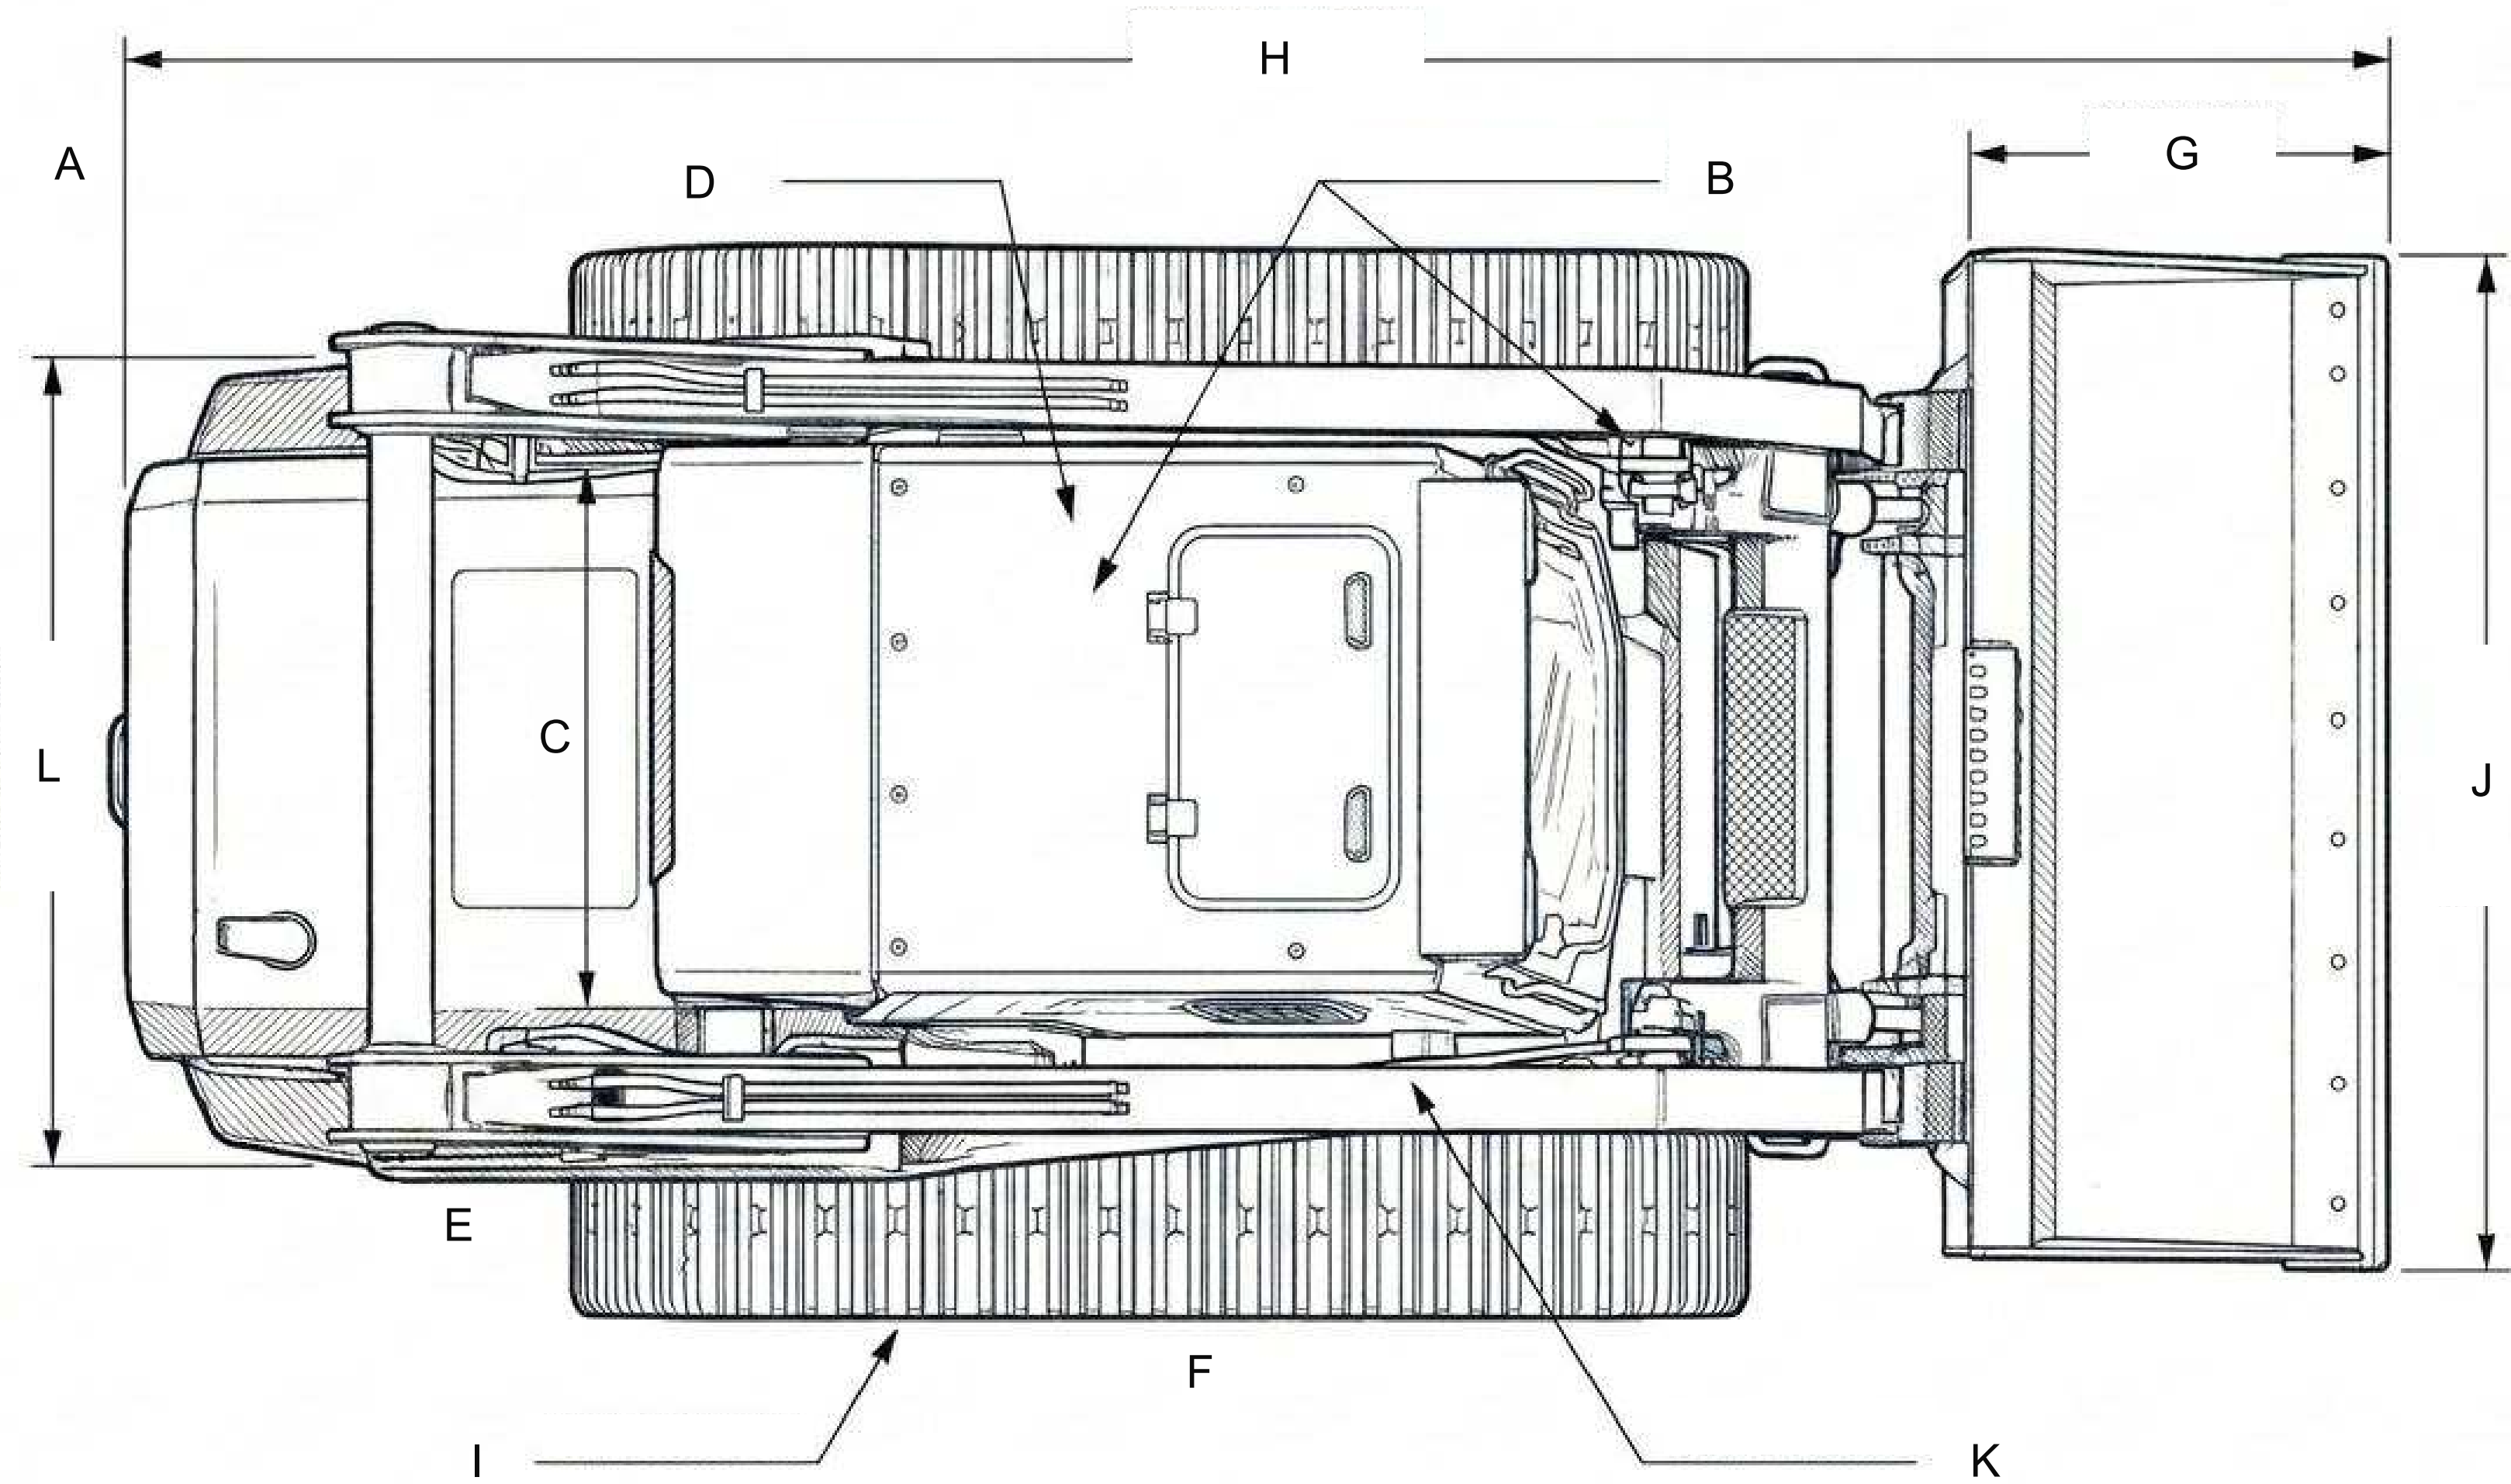

Engine Type	Perkins 4-cylinder turbo diesel
Cooling System	Rear-mounted high-capacity radiator with protective grille
Fuel Capacity	24 gallons (91 liters)
Drive System	Dual hydrostatic pumps with electronic control (Single-Speed Drive)
Emissions	EPA Tier 4 Final & EU Stage V

Electrical System

Lighting	High-visibility rear LED tail lamps
LED work lights	Front & Rear
Voltage	12V accessory power
Display	Smart display with onboard diagnostics
Safety System	Rear-view camera

Mobility & Features

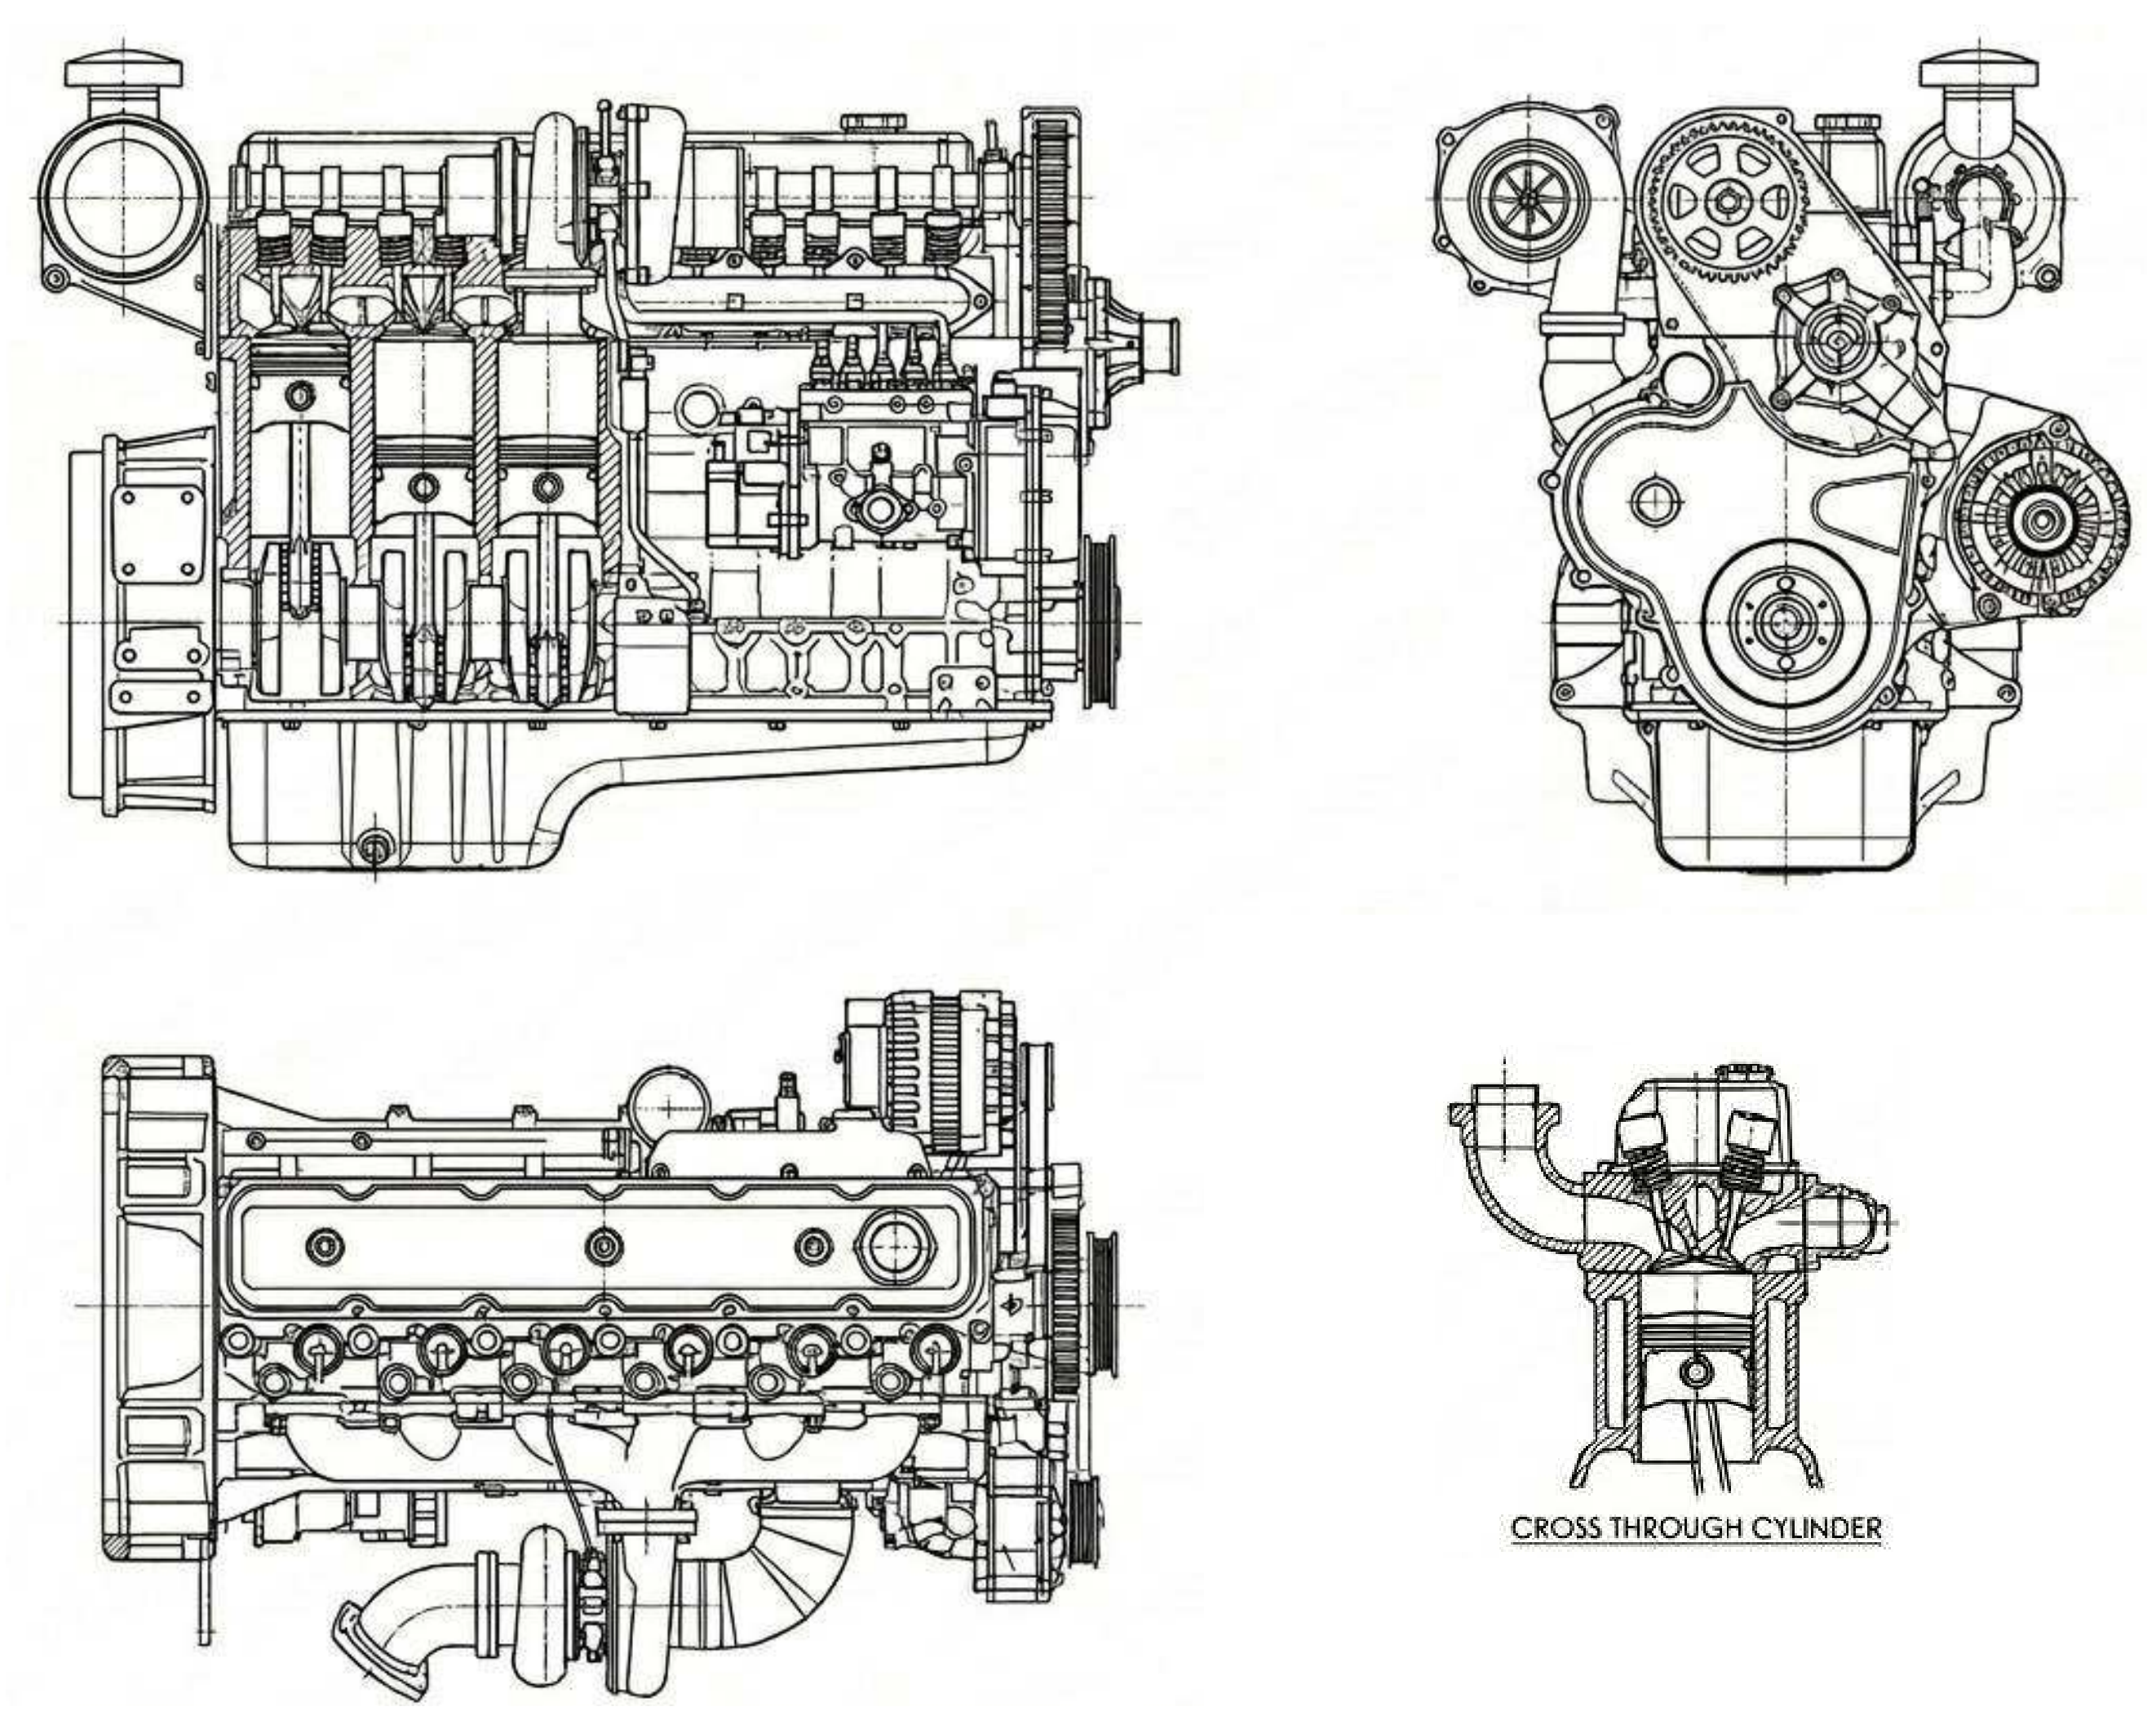

High-mount LED tail lights	Emergency stop switches
Left-side exhaust outlet	Hydraulic lockout system
Easy-access service panel	Emergency stop switches
Operator presence detection	ROPS/FOPS certified cab
Large rear radiator grille	Proportional joystick control

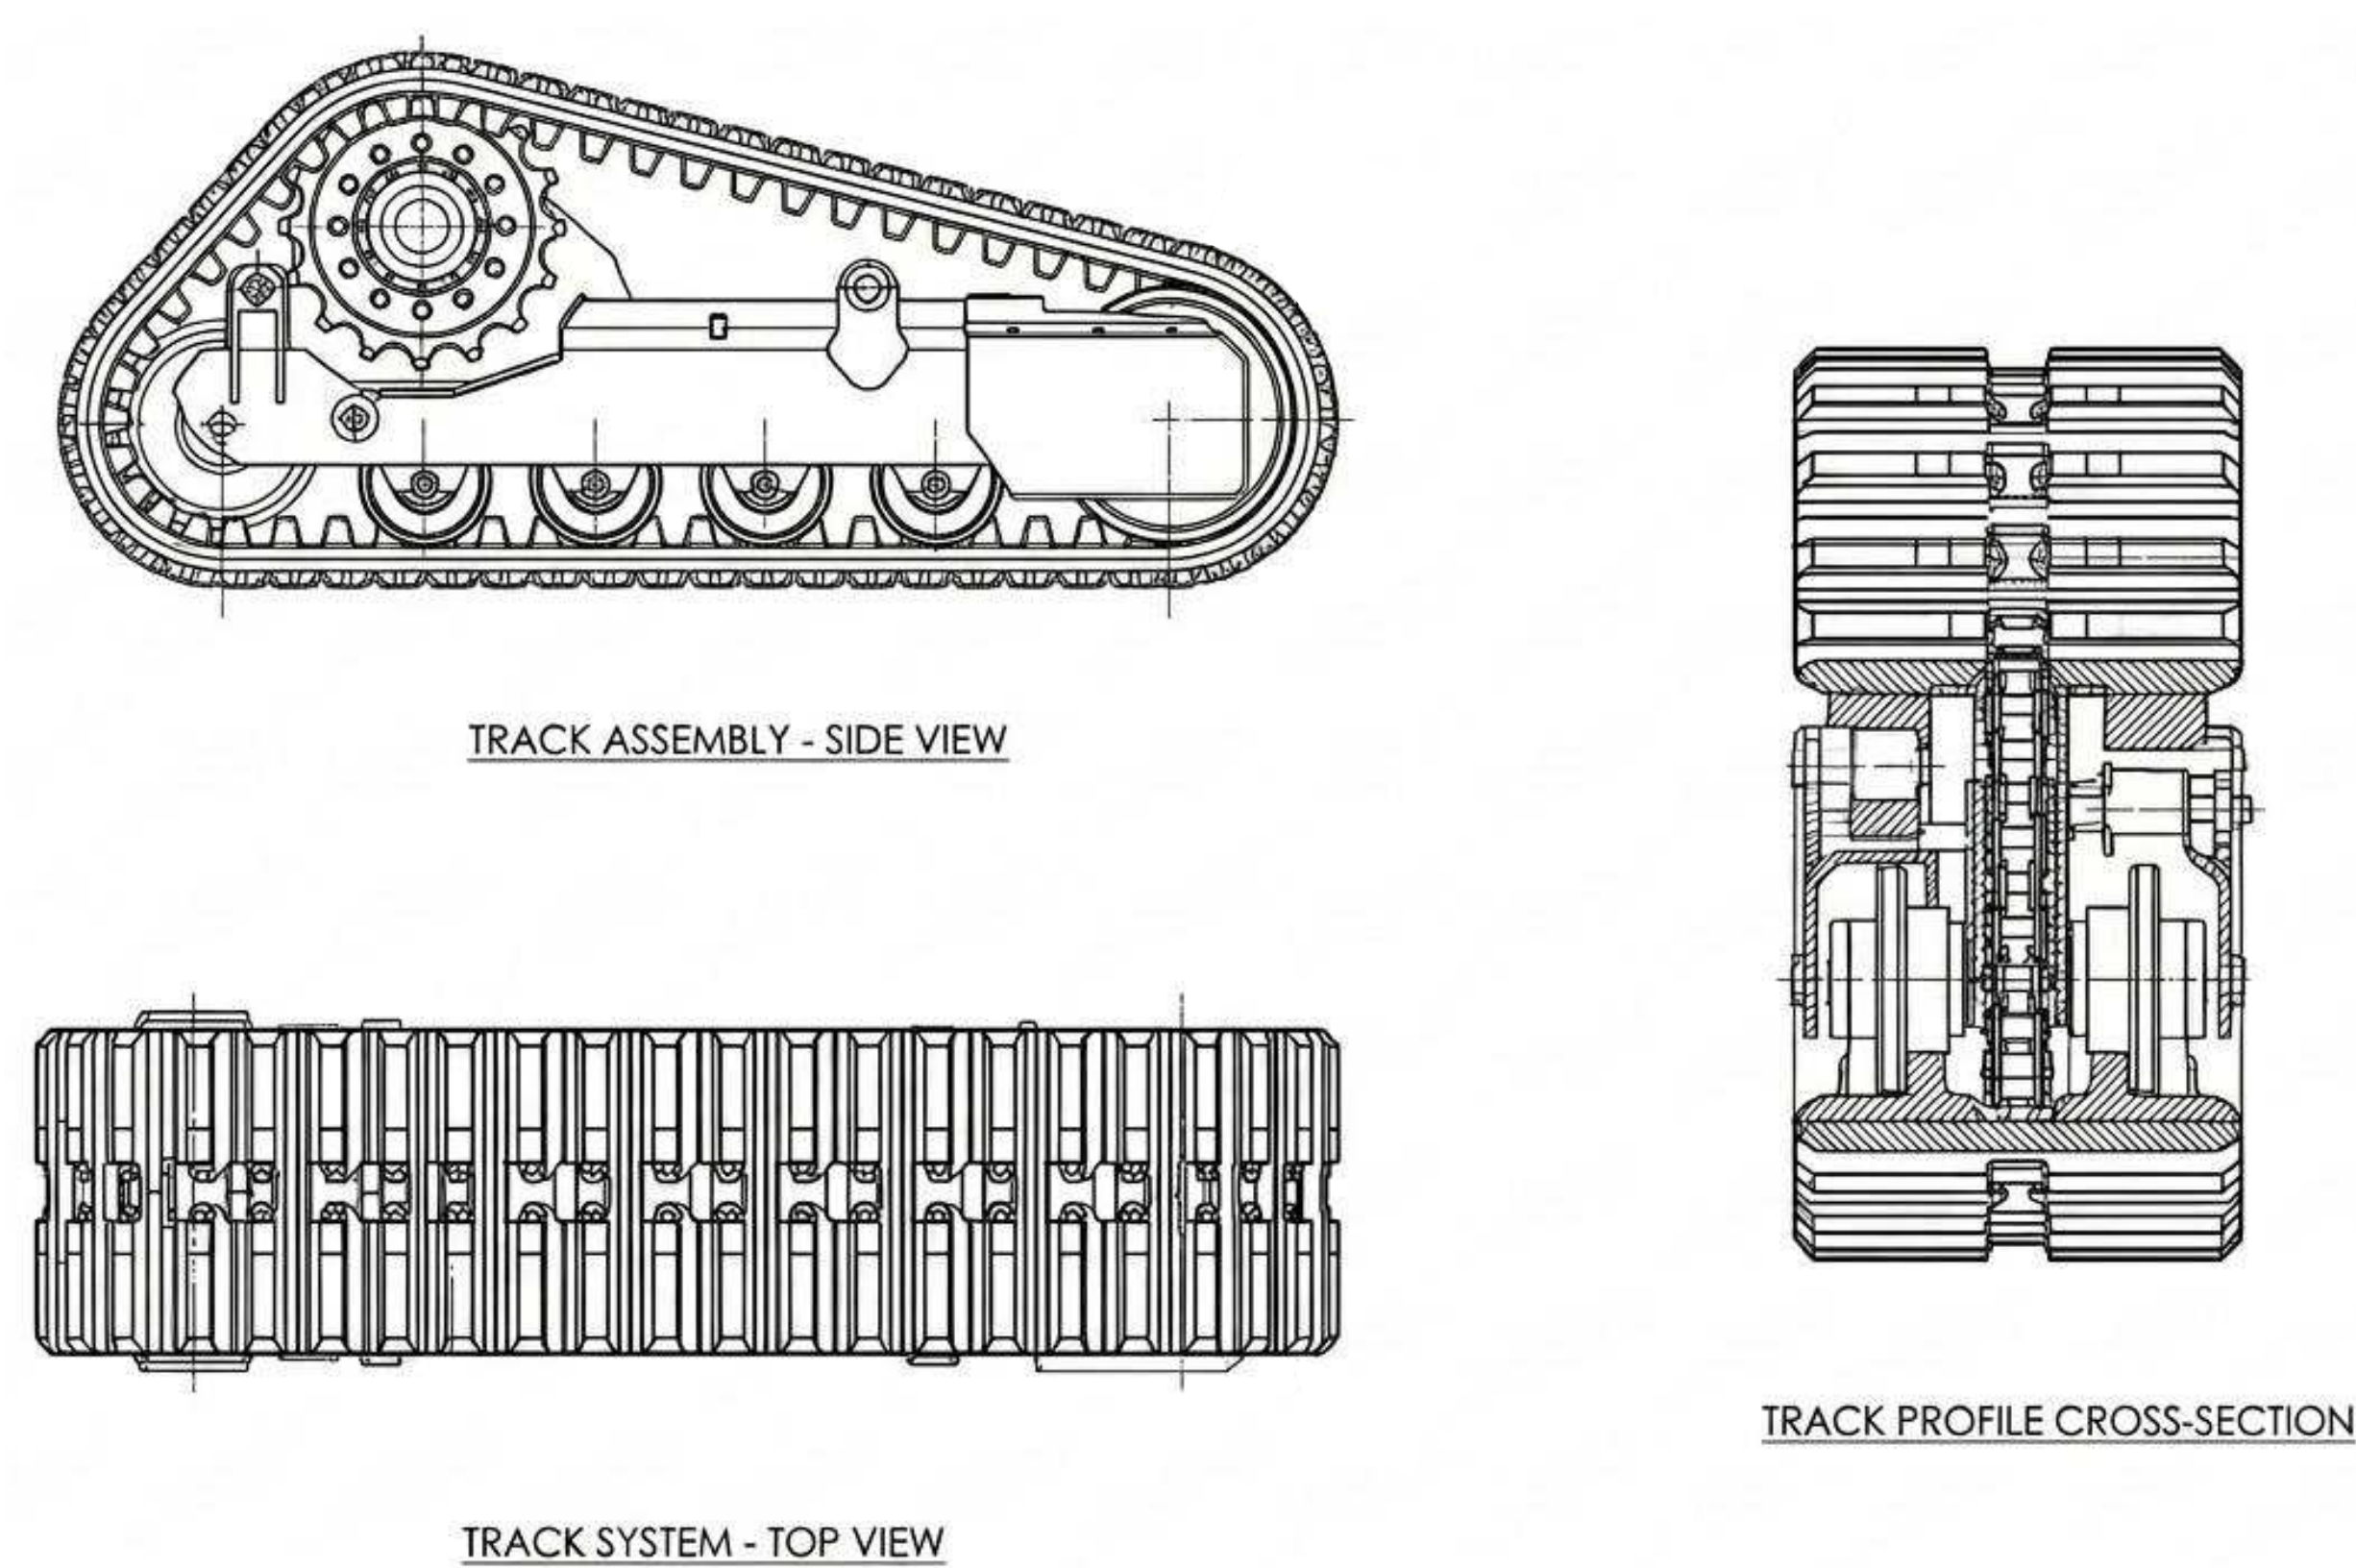

Additional Specification

A	Overall width	mm	1,830
B	Overall height of cab	mm	2,085
C	Cab width	mm	950
D	Cab length	mm	1,300
E	Min. ground clearance	mm	250
F	Trackbase	mm	1,730
G	Bucket width	mm	1,800
H	Overall length	mm	3,735
I	Track width	mm	400
J	Bucket length	mm	1,100
K	Loader arm width	mm	200
L	Counterweight clearance	mm	350

Perkins 4-Cylinder Turbo Diesel

Track Assembly (MPM-CTL182X)

For more information on MegaPress compact track loader, contact: ...Building Seamlessly*
Megapress Machinery. 831 Cerise Rd Billings, MT 59101, United States
Tel: +1 (406) 561-1284 Email: sales@megapressmachinery.com Website: www.megapressmachinery.com

Attachment Compatibility

General-purpose bucket	Pallet forks
Grapple	Auger
Trencher	Brush cutter
Snow blade / blower	Broom / sweeper

- MegaPress Machinery
- VersaForce Series
- Engineered for Precision & Power
